Re: Disposition of Dockery v. Hall, 3:13 cv 0326, March  
5-21 (S.D. Miss. 2018). Presiding Judge William H. Barbour,  
Jr..

Dear Clerk,

Hello I'm trying to find out have the above-mentioned case been ruled on? If so could you forward me such ruling or citation? Here at SMCI we've inquired about Dockery v. Hall as cited above to no avail. I was told it was pulled up and no cite appeared. Subsequently, each time I was forwarded Dockery v. Fischer, 253 F. Supp. 3d 832 (S.D. Miss. 2015),

I have a vested interest in the above mentioned ruling etc.. See Omar Humphrey v. South MS. Corrt. Institution, et al. USDC ND. 1:15-cv-424, Fifth Circuit No. 17-60153. All help in this matter will be greatly appreciated. Thanking you in advance!  
This the 8<sup>th</sup> day of October 2018.

Sincerely,  
OKH
